Professional Summary

Electronics and Communication Engineering graduate with hands-on experience in Java, HTML, CSS, JavaScript, SQL, Git, and GitHub. Developed responsive web applications and IoT-based solutions through academic projects and internships. Seeking an entry-level Software Developer role to build scalable, user-focused applications and contribute to innovative software solutions.

Technical Skills

Programming Languages: Java, Python (Basic), C

Web Technologies: HTML, CSS, JavaScript, Bootstrap

Database: SQL, MySQL

Tools: Git, GitHub, VS Code

Core Concepts: Object-Oriented Programming (OOP), Web Development

Projects

Personal Portfolio Website — HTML, CSS, JavaScript

- Designed and developed a responsive personal portfolio website showcasing projects, internships, technical skills, and contact information.
- Deployed the website using GitHub Pages with mobile-friendly design.

BIOGATE AI – Instant Health Monitoring System — IoT, Smart India Hackathon

- Developed a smart healthcare monitoring system using PPG, ECG, IR, Thermal, and Radar sensors.
- Collaborated in a 3-member team and participated in Smart India Hackathon.

Faulty Switching Detection and Alert System — Arduino, IoT

- Developed a transformer health monitoring system using Arduino, GSM alerts, RFID access control, relay protection, and real-time fault detection.
- Monitored temperature, voltage, current, and oil-level parameters to improve operational safety.

Internship Experience

Python Intern — CSC Computer Education, Thanjavur

Feb 2024 – Mar 2024

- Learned Python programming fundamentals and Object-Oriented Programming concepts.

Web Development Intern — CodeBind Technologies, Chennai

Aug 2024

- Gained practical exposure to HTML, CSS, JavaScript, and responsive web design.

Data Science Intern — Shiash Info Solutions, Chennai

Jul 2025 – Aug 2025

- Worked with Pandas, NumPy, data visualization, and machine learning fundamentals.

Education

B.E. Electronics and Communication Engineering (ECE)

2022 – 2026

P.R. College of Engineering and Technology (2022 – 2025)

Final Academic Year Completed at

St. Joseph's College of Engineering and Technology (2025 – 2026)

Certifications

Java Full Stack Development Certification — Introduction to SQL Certification — Python Programming Internship Certification — Web Development Internship Certification — Data Science Internship Certification — Cloud Computing Workshop — Freedom with AI Workshop

Languages

Tamil (Native), English
